Ref. No.: SCAH/SVSU/2026/ 3643

Date-05.02.2026

BOS MEETING NOTICE

A meeting of Board of Studies (BOS) of the Department of Operation Theatre Technology and the Department of Medical Laboratory Sciences, Subharti College of Allied and Healthcare is scheduled on 06.02.2026 (Friday) at 10:00 AM at the college conference room to discuss the following agenda items:

- Agenda 1.** Effective from the academic session 2025-26 the Bachelor of Science in Operation Theatre Technology (B.Sc. Hons. in Anesthesiology) will offer an expanded capacity of 100 seats (up from 40).
- Agenda 2.** To consider the closure of Subharti College of Integrated Health Sciences from academic session 2026-27.
- Agenda 3.** To consider the suspension of fresh admissions and the closure of the following programmes from the Department of Operation Theatre Technology, Subharti College of Allied and Healthcare from the academic session 2026-27-
 - a. Bachelor of Science in Operation Theatre Technology (B.Sc. OT Technology)**
 - b. Bachelor of Science in Operation Theatre Technology (B.Sc. Hons. in Anesthesiology)**
- Agenda 4.** To consider the proposal for the Allotment/Standardization of Enrollment Numbers, Faculty, Department, and Programme Codes for Subharti College of Allied and Healthcare, Faculty of Allied Health Sciences.
- Agenda 5.** To consider the proposal for the adoption of the NCAHP-compliant competency-based curriculum and ordinance for the Diploma in Anaesthesia and Operation Theatre Technology (D.AOTT) programme beginning with the academic session 2026-27.

Subharti College of Allied and Healthcare

Faculty of Allied Health Sciences (FAHS)

SWAMI VIVEKANAND SUBHARTI UNIVERSITY

(Established under U.P. Govt. Act no. 29 of 2008 and approved under section 20 of UGC Act 1956)

Discussion	The Chairperson briefed the committee on the rising demand for skilled professionals in Anesthesia and Operation Theatre Technology. It was noted that the current intake of 40 seats is insufficient to meet the growing interest from applicants and the requirements of affiliated clinical training sites. Members discussed the availability of adequate infrastructure, and clinical laboratories required to support a larger cohort. The BOS members confirmed that additional clinical rotations have been secured to accommodate 100 students without compromising the quality of hands-on training for academic session 2025-26.
Resolution	It was unanimously resolved that the seat capacity for the Bachelor of Science in Operation Theatre Technology (B.Sc. Hons. in Anesthesiology) be increased from 40 to 100 seats, for the academic session 2025-26.
Agenda 2.	To consider the closure of Subharti College of Integrated Health Sciences from academic session 2026-27.
Discussion	The Chairperson presented a proposal for the phased closure of the Subharti College of Integrated Health Sciences starting from the academic session 2026-27. The committee discussed strategic realignment to avoid "fragmentation of healthcare education". The objective to better align with the National Commission for Allied and Healthcare Professions (NCAHP) guidelines.
Resolution	It was unanimously resolved to approve the closure of the Subharti College of Integrated Health Sciences effective from the academic session 2026-27.
Agenda 3.	To consider the suspension of fresh admissions and the closure of the following programmes from the Department of Operation Theatre Technology, Subharti College of Allied and Healthcare from the academic session 2026-27. a. Bachelor of Science in Operation Theatre Technology (B.Sc. OT Technology) b. Bachelor of Science in Operation Theatre Technology (B.Sc. Hons. in Anesthesiology)
Discussion	The Chairperson apprised the BOS committee members of new mandates issued by the National Commission for Allied and Healthcare Professions (NCAHP). It was noted that starting from the academic session 2026-27, the NCAHP has introduced a new competency-based curriculum that integrates Anaesthesia and Operation Theatre Technology into a single professional stream. The NCAHP officially notified on January 9, 2026, that separate degree nomenclatures for OT Technology and Anesthesiology will no longer be permitted for fresh admissions. Members discussed the necessity of a phased closure. Fresh admissions will be suspended for 2026-27, but the

	programs will remain active until the current batches (admitted up to 2025-26) complete their degree requirements.
Resolution	<p>It was unanimously resolved that the proposal for the suspension of fresh admissions and the subsequent closure of the following programmes at Subharti College of Allied and Healthcare be APPROVED, effective from the academic session 2026-27:</p> <ol style="list-style-type: none">1. Bachelor of Science in Operation Theatre Technology (B.Sc. OTT)2. Bachelor of Science in Operation Theatre Technology (B.Sc. Hons. in Anesthesiology) <p>Further resolved that the teaching and examination of students currently enrolled in these programmes are completed as per existing University Ordinances.</p>
Agenda 4.	To consider the proposal for the Allotment/Standardization of Enrollment Numbers, Faculty, Department, and Programme Codes for Subharti College of Allied and Healthcare, Faculty of Allied Health Sciences.
Discussion	A proposal for the allotment and standardization of enrollment numbers, faculty, department, and programme codes for the Subharti College of Allied and Healthcare under the Faculty of Allied Health Sciences was discussed and approved following its establishment on 29.07.2025.
Resolution	The resolution authorizes the competent authority to finalize faculty, department, and programme codes for the Subharti College of Allied and Healthcare, faculty of Allied Health Sciences according to University Ordinance VII-3A, applicable retroactively from the college's notification date, and to append the coding sheet to the official minutes (detailed in the attached Annexure-1).
Agenda 5.	To consider the proposal for the adoption of the NCAHP-compliant competency-based curriculum and ordinance for the Diploma in Anaesthesia and Operation Theatre Technology (D.AOTT) programme beginning with the academic session 2026-27.
Discussion	<p>The Chairperson informed the committee that the NCAHP, has launched new competency-based curricula for 10 allied health professions, including Anaesthesia and Operation Theatre Technology. It was noted that this adoption will ensure a unified national standard for the D.AOTT program, covering critical areas such as clinical care, communication, ethics, and multidisciplinary teamwork.</p> <p>Members agreed that the transition must be completed in time for the 2026-27 academic session to comply with the NCAHP Act, 2021.</p>

Faculty of Allied Health Sciences (FAHS)
SWAMI VIVEKANAND SUBHARTI UNIVERSITY

(Established under U.P. Govt. Act no. 29 of 2008 and approved under section 2(f) of UGC Act 1956)

Resolution	It was unanimously resolved that the proposal for the adoption of the NCAHP-compliant competency-based curriculum and the corresponding ordinance for the Diploma in Anaesthesia and Operation Theatre Technology (D.AOTT) programme be and is hereby approved for implementation starting from the academic session 2026-27(detailed in the attached Annexure-2a & 2b).
Agenda 6.	To consider the proposal for the adoption of the NCAHP-compliant competency-based curriculum and ordinance for the Bachelor of Medical Laboratory Science (BMLS) programme beginning with the academic session 2026-27.
Discussion	The Chairperson explained that as per the NCAHP Act, 2021, a new standardized competency-based curriculum for BMLS must be implemented to ensure national uniformity in allied health education. Members noted that the new BMLS framework typically includes six semesters of academic instruction followed by mandatory internships, totaling at least 160 credits for graduation.
Resolution	It was unanimously resolved that the proposal to adopt the NCAHP-compliant competency-based curriculum and the revised ordinance for the Bachelor of Medical Laboratory Science (BMLS) programme be and is hereby approved, effective from the academic session 2026-27 (detailed in the attached Annexure-3a & 3b).
Agenda 7.	To consider the proposal for the adoption of the NCAHP-compliant competency-based curriculum and ordinance for the Master of Medical Laboratory Science (MMLS) programme beginning with the academic session 2026-27.
Discussion	<p>The Chairperson noted that the NCAHP curriculum for MMLS focuses on higher-level competencies, moving beyond technical proficiency to include research methodology, laboratory management, and advanced diagnostics.</p> <p>Members discussed that the Master of Medical Laboratory Science (MMLS) shall be conducted in the Department of Medical Laboratory Science under the Subharti College of Allied and Healthcare, Faculty of Allied Health Sciences in four different specializations-Medical Biochemistry, Medical Microbiology, Haematology and Transfusion Medicine, and Histology and Cytology in line with NCAHP 2025 guidelines.</p>
Resolution	It was unanimously resolved that the proposal for the adoption of the NCAHP-compliant competency-based curriculum and the new ordinance for the Master of Medical Laboratory Science (MMLS) programme be and is hereby approved for the academic session 2026-27 (detailed in the attached Annexure-4a & 4b).

Agenda 8.	To consider the proposal for updating the nomenclature of the Ph.D. in Medical Laboratory Technology to Ph.D. in Medical Laboratory Science , effective from the academic session 2026-27, in accordance with NCAHP standardization requirements.
Discussion	<p>The Chairperson explained that the NCAHP has standardized the professional title to "Medical Laboratory Science" to better reflect the clinical, diagnostic, and research depth of the field. Members noted that since the Bachelors (BMLS), and Masters (MMLS) are being updated to "Science" nomenclature, the Ph.D. must follow suit to maintain academic consistency across the entire hierarchy of education.</p> <p>It was discussed that the term "Science" emphasizes the analytical and investigative role of the professional, which is more appropriate for doctoral-level research than the more restrictive "Technology" label.</p>
Resolution	It was unanimously resolved that the proposal to update the nomenclature of the doctoral programme from Ph.D. in Medical Laboratory Technology to Ph.D. in Medical Laboratory Science be and is hereby approved, effective from the academic session 2026-27.
