NOTICE

Subject: Program on How to Improve Coding Skills

This is to inform all students that the Student Club is organizing a special program on “**How to Improve Coding Skills**” to help students enhance their programming abilities.

Program Details:

- Topic: How to Improve Coding Skills
- Date: 29/8/25
- Time: 9:00am
- Venue: projector hall

The program will cover the following topics:

- Basics to advanced coding techniques
- Improving problem-solving skills
- Introduction to competitive programming
- Career opportunities in programming

All interested students are requested to attend the program on time and take full advantage of this opportunity.

REPORT ON PROGRAM: “HOW TO IMPROVE CODING SKILLS”

Organized by: Student Club

Date: 29th August 2025

Venue: [Projector hall]

1. Introduction

The Student Club organized a program on “**How to Improve Coding Skills**” on 29th August 2025 with the objective of enhancing the programming capabilities of students. The program aimed to provide practical guidance and motivate students to develop strong coding habits essential for academic and professional success.

Objectives of the Program

- To improve students’ coding proficiency
- To develop problem-solving and logical thinking skills
- To introduce students to competitive programming
- To create awareness about career opportunities in the field of programming

Key Highlights of the Program

- Explanation of basic to advanced coding techniques
- Importance of consistency and practice in coding
- Introduction to competitive programming platforms
- Guidance on improving problem-solving approaches

- Discussion on career prospects in software development and IT industry
-
-

Student Participation and Interaction

The program witnessed active participation from students. The session was interactive, where students asked questions and clarified their doubts. The resource person addressed all queries effectively, making the session engaging and informative.

6. Outcome of the Program

The program proved to be highly beneficial for the students. It enhanced their understanding of coding practices and motivated them to continuously improve their programming skills. Students gained clarity on how to approach coding problems and prepare for future career opportunities.

7. Conclusion

The program concluded successfully with a vote of thanks delivered by the organizing team. The Student Club expressed gratitude to the resource person and all participants for their valuable contribution in making the event a success.

REPORT

Description of the Activity

The Birth Anniversary of Dr. B. R. Ambedkar was celebrated on 14 April with great respect and enthusiasm in the institution. The program began with floral tribute and garlanding of Dr. Ambedkar's portrait. Teachers and students participated actively in the celebration. Speeches, essay writing, and awareness activities were organized to highlight the life, achievements, and contributions of Dr. Ambedkar towards the Indian Constitution and social equality. Students were encouraged to learn about his ideals of justice, education, equality, and human rights.

Brief Report on B. R. Ambedkar Birth Anniversary

The birth anniversary of Dr. B. R. Ambedkar is celebrated every year on **14 April** across India with great respect and enthusiasm. In 2026, the nation celebrated his **135th birth anniversary**. Dr. Ambedkar was the chief architect of the Indian Constitution, a great social reformer, economist, and champion of equality and justice. On this occasion, schools, colleges, government institutions, and social organizations organize various programs and events. People pay tribute to him by offering flowers to his statues and remembering his valuable contributions to society. Speeches, rallies, and cultural activities are also conducted to spread awareness about his teachings and ideals.

Dr. Ambedkar dedicated his life to fighting against social discrimination and promoting the rights of marginalized communities. His famous message, *“Educate, Organize, and Agitate,”* continues to inspire people even today. Thus, Dr. B. R. Ambedkar’s birth

Anniversary is not only a celebration but also an opportunity to remember his vision of equality, justice, and education for all.

Outcome of the Activity

The activity helped students and participants understand the importance of equality, social justice, and education in society. It created awareness about Dr. Ambedkar’s contributions to the nation and inspired students to follow his values and principles. The program also encouraged confidence, participation, and respect for constitutional values among students. Overall, the celebration was informative, meaningful, and inspiring for everyone involved.

Brief Report

S. Satyamurti, also known as Sundara Sastri Satyamurti, was a prominent freedom fighter, lawyer, and leader of the Indian National Congress. He worked tirelessly for India's independence and inspired many people through his speeches and leadership. He strongly believed in democracy, education, and social reform. On his death anniversary, tribute programs, speeches, and seminars are organized in schools, colleges, and public institutions. People pay floral tributes to remember his sacrifices and dedication to the nation. Students and participants learn about his ideals of patriotism, honesty, and selfless service.

The observance of his death anniversary inspires citizens, especially the younger generation, to follow the path of national service and uphold democratic values.

Description of the Activity

S. Satyamurti Death Anniversary was observed to pay tribute to his great contribution to India's freedom struggle and public service. The program began with a floral tribute and garlanding of his portrait. Teachers and students delivered speeches highlighting his role as a freedom fighter, social reformer, and leader of the Indian National Congress.

The activity also included essay writing, patriotic songs, and discussions on democratic values and national unity. Participants learned about his

dedication, honesty, leadership qualities, and efforts toward social welfare and education. The event encouraged students to understand the importance of patriotism and service to society

Outcome of the Activity

- Students gained knowledge about the life and achievements of S. Satyamurti.
- Awareness about India's freedom movement and democratic values increased among participants.
- The activity inspired students to develop qualities such as leadership, discipline, honesty, and patriotism.
- Participants were motivated to contribute positively to society and the nation.
- The program helped in promoting respect for national leaders and their sacrifices for the country.
